**REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR 1.78(a)(3)**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

In view of the Decision mailed June 8, 2010 and supplemental to the Request for Reconsideration file July 8, 2010, Applicants request reconsideration of the petition filed March 19, 2010 in view of the accompanying supplemental amendment, which was indicated to be the only item necessary for compliance with 37 CFR 1.78(a)(2)(i). This supplemental amendment is submitted because upon review of the file history of USSN 10/169,801, the '801 application should properly be named as a continuation-in-part of USSN 09/629,970.

Favorable consideration on the petition and entry of the amendments are respectfully requested.

The petition of March 19, 2010 petition was filed to claim priority under 35 U.S.C. §120 from prior U.S. Patent Application No. 09/629,970 filed on July 31, 2000. A corresponding petition and related documents has been filed in U.S. Patent No. 7,402,571 (which corresponds to the '801 application) and other related applications.

The undersigned states that the entire delay between the date the claim was due under paragraph (a)(5)(ii) of this section and the date the claim was filed was unintentional.

It is not believed that any fee is due. Please charge any necessary fee to Deposit Account No. 50-0624 from which the undersigned is authorized to draw.

Dated: July 9, 2010

Respectfully submitted,

By /James R. Crawford/
